My solo trip with the CAT...experience was
amazing...I will not forget this trip ever...this has
given a lot funnier, laughter memories to cherish
on whenever i will see these pics. Amazing
journey it was of seven days. Kartik as a trip
captain is very good & a friendly captain who
did everything to keep us enjoying through out
the trip. Thanks CAT for this amazing journey &
to overcome my fear of solo travel. Traveling
solo was a fun ride with you all & i really make
some good friends here. Cheers to the
adventure we had🔥🔥🔥🔥

My trip to Thailand with Capture a Trip and Trip
Captain Ishaan was fantastic!
The hotels arrangements were top notch and
the commute throughout the trip was actually
very smooth.

Ishaan demonstrated exceptional
communication skills, displaying good behavior
throughout the journey. His engaging
personality, coupled with his polite and humble
 demeanor, made the trip even more enjoyable.
Ishaan's punctuality was remarkable, providing
wake-up calls at 5 AM every day, ensuring we
made the most of our time. His initiative to
organize activities like singing and games
further enhanced the group's experience.
Overall, Ishaan's professionalism and
enthusiasm significantly contributed to a
memorable and fulfilling trip to Thailand.

We will definitely travel with CAT again and it
would be best with Captain Ishaan.

It was an amazing experience to thailand with
capture a trip. I personally enjoyed this trip a
lot. The management was great, took care of
everybody. They recommended us many Indian
restaurants there and showed lot of interesting
places and things. Thank you for making our trip
successful. I would suggest more friends to go

Thailand - Full Moon
23rd Feb 2024
Solo trip

The stay was elegant, with pool side and beach
access facilities ❤️

Being a pure vegetarian I found the Indian
Vegetarian food easily and Ishaan (captain)
helped me out with the same.

The itinerary was also good and the captain
managed it well and also stood by our side
even when we were drunk or stoned out lol.
Thanks buddy 😊

Thanks to capture a trip. Looking forward for
more international trips. Good work 🙌

About Destination

Thailand Full Moon Party

Originated in Haad Rin on the island of Ko Pha-ngan, Thailand, in the late 1980s. The **full moon party in Thailand** was started by a group of backpackers who wanted to honor the splendor of the full moon on Haad Rin Beach. The words were out, and what started as a small celebration soon turned into a massive festival with blazing music, neon paints, dance, drinks, tempting fire shows, and lights.

At Ko Pha Ngan, the night madness may be a monthly tradition, but due to the way it is observed, it seems to occur only rarely. Over the years, the party grew in popularity, attracting more travelers and evolving into the massive monthly event known today. The celebration of the **full moon festival in Thailand** starts three nights prior to the actual event. The initial two days are absolute chaos, and then begins the craziest night of the month. Our [Thailand tour package](#) offers an incredible journey through the "Land of Smiles." Discover the perfect blend of cultural heritage, stunning landscapes, and modern comforts. From the bustling markets of Bangkok to the serene beaches of Phuket, this package includes a wide range of experiences.
