CAT handled the accommodation and other stuff really well. I took a **Vietnam package from CAT**. Though there were some confusions and hurdles before the trip start date and all were managed and resolved. They hear your concerns. A big thanks to Aamir who managed the Vietnam package very well without any inconveniences..

Great experience with Capture A trip !  
**We friends had visited Vietnam in their tailor made package !** It was very well organised!  
Would recommend to plan your vacation with them!  
Especially thanks to Aamir for organising with vacation really well!

When I started scheduling of my Vietnam trip I found it difficult to find a travel group who covers as many places with in 7 days. It needed seamless commute between destinations and airports without losing a day. Then I found a capture a trip from instagram. They arranged everything for me such as visa and flight booking with very efficient commutes and no time wasted. I am glad that i made the right decision. It was one of the most memorable travel experience that i had. **Vietnam is a food paradise and Ishaan's choice of hotel and restaurants made it even more special.** Each lunch and dinner arranged by him was in one of a kind special restaurant. Hotels they booked all of them were at the prime locations. Guides and drivers were not only punctual but also exceptionally helpful and knowledgeable, surpassing my expectations. Ishaan truly elevated my travel experience in Vietnam. He is the most patient and fun tour captain I have ever meet. I would love to go for more such trip with Ishaan as my tour captain and capture trip as a trip organizer.

**Just came back from our Vietnam trip and I must say that it was an amazing experience with CAT.** The team is highly professional and supportive. Throughout the trip we never faced a single challenge. They provided best accommodation with best prices. Everything was smooth as you like. I highly recommend CAPTURE A TRIP to my friends and everyone. Thank you CAT, thank you MEENAKSHI, AMIR for everything. ❤️🙏👍

## ABOUT DESTINATION

# HANOI|DANANG|HOI ANN

**Hanoi, Vietnam's timeless capital, harmoniously blends history and modernity with its French colonial architecture and vibrant street food scene. Wander through lively streets where ancient pagodas sit beside sleek skyscrapers, embodying a city deeply rooted in tradition while embracing the future. Meanwhile, Danang, a dynamic city in Central Vietnam, offers modern attractions and serves as a gateway to the region's stunning landscapes. Explore the awe-inspiring Ba Na Hills with its Golden Bridge suspended in the clouds, and just a short drive away, discover the ancient town of Hoi An, renowned for its well-preserved architecture and lantern-lit streets. Central Vietnam also boasts diverse natural beauty, from pristine beaches to lush mountains, making it an ideal destination for both relaxation and adventure.**

# PRECAUTIONS & SAFETY

Committed to delivering a clean and safe environment through health and safety protocols One of our highest priorities is the health, safety, and security of our guests, and team members. COVID-19 has fundamentally changed the way we live, and we are adjusting our daily operations to fit within the new normal. In response to this, we and a team of experts have reviewed our existing health and safety processes and developed a new safety protocol. This in-depth cleanliness and disinfection protocol and is designed to ensure your safety and peace of mind from travelling to check-in to check-out.

- Increasing cleaning and disinfection frequency throughout the premises, with a special focus on recreational and relaxation areas.
- Increasing cleaning and disinfecting frequency of Kids Clubs, paying attention to high-touch items.
- Installing alcohol-based hand sanitizing stations throughout the premises.
- Providing disinfectant wipes throughout the premises. Implementing physical distancing measures in outside spaces.
- Increase cleaning and disinfection frequency of all hotel areas, paying special attention to high-touch items.
- Improve air circulation processes to increase air quality.
