CAT handled the accommodation and other stuff really well. I took a **Vietnam package from CAT**. Though there were some confusions and hurdles before the trip start date and all were managed and resolved. They hear your concerns. A big thanks to Aamir who managed the Vietnam package very well without any inconveniences..

When I started scheduling of my Vietnam trip I found it difficult to find a travel group who covers as many places with in 7 days. It needed seamless commute between destinations and airports without losing a day. Then I found a capture a trip from instagram. They arranged everything for me such as visa and flight booking with very efficient commutes and no time wasted. I am glad that i made the right decision. It was one of the most memorable travel experience that i had. **Vietnam is a food paradise and Ishaan's choice of hotel and restaurants made it even more special.** Each lunch and dinner arranged by him was in one of a kind special restaurant. Hotels they booked all of them were at the prime locations. Guides and drivers were not only punctual but also exceptionally helpful and knowledgeable, surpassing my expectations. Ishaan truly elevated my travel experience in Vietnam. He is the most patient and fun tour captain I have ever meet. I would love to go for more such trip with Ishaan as my tour captain and capture trip as a trip organizer.
