I had an amazing experience with Capture A Trip on my recent journey to Bali. Everything was perfectly arranged and lived up to the promises made. Our driver, Dek Ardita, was incredibly friendly and shared fascinating local stories and insights into Balinese culture and cuisine. A special shutout to our trip captain, Anas, who went above and beyond to manage our visit to the iconic Gateway of Heaven photo spot, it was seamless and unforgettable. I'm truly happy to have chosen Capture A Trip for this adventure. I'd surely recommend booking your trip with them!

I had 6-day Bali trip with Capture A Trip. I must say they have planned our entire trip so well and smoothly with a budget friendly package! Kartik from the team helped us so well initially with package and flight booking, he was readily available all the time whenever needed. Following, Neha was our entire trip guide who helped us take our entire trip smoothly and effectively. Even though we had missed our Bali flight from Malaysia, Neha helped us to re-schedule our entire trip and made it possible not to miss any places. Kudos to the entire Capture trip team for always being available for queries and taking good care of us. The resorts and the activities planned were top notch. ATV ride was my favourite. One suggestion or feedback I can give, if there is any hassle due to any circumstances, make sure to address it to the guests one day prior. Other than that I give 9.5/10 for entire Trip! I recommend Capture A Trip to everyone.
