RAKSHITHA

Trip to LADAKH It is a memorable trip. Itinerary was well planned and coordinated. Highly recommend the travel for friends and family. Our travel guide Muskan was so friendly and helpful everywhere.

BHOOMI GARG

For the first time to Ladakh, Had good experience and nice trip with the captain Anshika. Mountains are so beautiful to look and to feel. Worth and highly recommend to visit Ladakh.

SHREYA PATRO

I went on a trip to Ladakh. The trip was organised well with good accommodation. The group leader Muskan was super friendly and respectful. As a solo traveller, the people I met from different parts of the country on the trip added to the overall experience. PS: Ladakh's geography is characterized by a plateau, rolling hills, and rough terrains. So keep in mind the trip would entail a lot of travelling through hilly roads. (But it's worth it).

ABOUT DESTINATION LADAKH

This 7-day **Ladakh** trip is designed to help you ease into the altitude while soaking in the region's incredible beauty. Beginning in Leh, the journey slowly opens up to stunning mountain passes, peaceful monasteries, and villages full of local culture.

From riding through the sand dunes of Nubra Valley to watching the changing colours of Pangong Lake, every day brings something special. It's a well-balanced experience, unhurried, scenic, and rich in moments that stay with you long after the journey ends.
