I recently travelled with them to Teerthan Valley, the experience was really great, had an amazing time there. Really good homestay with ample space and cleanliness. The tour guides were really friendly and were very polite and helpful. We had two tour guides, Anas and Shoaib, both of them really friendly and great. This was my first time travelling with a travel group and it was extraordinary. I would love to travel with Capture a Trip again.

We recently embarked on a 3-day trip to Tirthan and Jibhi with CAT, and it was truly one of the best travel experiences we've had! Time flew by so quickly that we hardly realized when it came to an end.

A special shout-out to our trip captain, Vaibhav, who was not only calm and professional throughout but also handled our group with such patience and care (even when we might have been a handful! 😊).

I recently had the pleasure of traveling with Capture a Trip, and it was nothing short of an incredible experience! What made the trip even better was the fact that we received more coverage than initially promised.

The group was fantastic—traveling with like-minded people who shared the same excitement for exploration made the journey even more enjoyable. Everyone felt like family, and by the end of the trip, we had created memories and friendships that would last a lifetime.

A big shout-out to our amazing team captain, who ensured we were all comfortable and cared for throughout. The continuous support, local insights, and quick solutions to any issues made the trip smooth and worry-free. They went above and beyond, handling all logistics and leaving us free to relax and soak up every moment.

The accommodations were comfortable, and the transport was also convenient.

I recently spent three days exploring Tirthan Valley and Jibhi, with capture a trip captain umesh and anas, and it was an unforgettable experience. They are very experienced and amazing captains. They very well managed our 33 people group and thrilled us with their stories.

Would love to plan more with them.

Thanks capture a trip for such beautiful experience and well organized team.
